The Complete Reader Range...

Bell & Howell C100 (Full COM)

Screen: 360mm(W) x 282mm(H) rear projection
Dimensions: 400mm(W) x 530mm(H) x 495mm(D)
Weight: 6.8 kg
Carrier: 105mm x 152mm (4" X 6") self-opening
Magnifications: 21X, 24X, 32X, 36X, 42X, 48X, 54X
Lens Assembly: Dual lens facility, one lens fitted
Focus: Front-mounted
Illumination: 13.8V 30W dual intensity
Electrical: 230V 50Hz
Construction: High impact plastic

Options: 105mm x 187mm carrier
105mm x 152mm dual fiche carrier
Additional lenses
Dust cover

Main Features

- Removable power drawer for easy maintenance
- Large, angled screen
- Precision optics for crisp clear images
- Precision carrier for ease of film transport

Bell & Howell S100 (3/4 COM, Full Source)

Screen: 313mm (W) x 282mm (H) rear projection
Dimensions: 355mm(W) x 530mm(H) x 495mm(D)
Weight: 6.8 kg
Carrier: 105mm x 152mm (4" X 6") self-opening
Magnifications: 21X, 24X, 32X, 36X, 42X, 48X, 54X
Lens Assembly: Dual lens facility, one lens fitted
Focus: Front-mounted
Illumination: 13.8V 30W dual intensity
Electrical: 230V 50Hz
Construction: High impact plastic

Options: 105mm x 187mm carrier
105mm x 152mm dual fiche carrier
Additional lenses
Dust cover

Main Features

- Removable power drawer for easy maintenance
- Large, angled screen
- Precision optics for crisp clear images
- Precision carrier for ease of film transport

from Bell & Howell

Bell & Howell S75 (3/4 COM, Full Source)

Screen:	285mm(H) x 295mm(W) rear projection
Dimensions:	299mm(W) x 578mm(H) x 407mm(D)
Weight:	12.7 kg
Carrier:	105mm x 152mm (4" X 6") self-opening
Magnifications:	24X, 32X, 36X, 42X, 48X
Lens Assembly:	Dual lens facility, one lens fitted
Image Rotation:	360 degree image rotation prism fitted (one prism will support additional lens)
Focus:	Front-mounted
Illumination:	13.8V 50W
Electrical:	230V 50Hz
Construction:	Metal and high impact plastic
Options:	105mm x 187mm carrier 105mm x 152mm dual fiche carrier Additional lenses Dust cover Manual 16/35mm roll film carrier

Bell & Howell EDR100 (Aperture Cards)

Screen:	508mm(W) x 338mm(H) rear projection
Dimensions:	541mm(W) x 594mm(H) x 516mm(D)
Weight:	25.9 kg
Carrier:	105mm x 187mm (4" X 7") self-opening
Magnifications:	Dual lens facility 12.5X + 24X lens fitted
Application:	Aperture Cards/Jackets/Fiche
Focus:	Front-mounted
Illumination:	13.8V 85W
Electrical:	230V 50Hz
Construction:	All metal
